Forecast for Sunday 07 Aug 2022

Weather: Dry with generally clear spells on Sunday, though there will be a little patchy cloud remaining through the early hours. This cloud will lift and break up quickly during the morning, leaving blue skies across the region.

Chance of cloud-free hill tops above 600m: 85% becoming 95% from mid-morning.

Low cloud and visibility: Patches of cloud above 600m through the early hours, gradually lifting from dawn. Very poor visibility within cloud. Otherwise generally excellent visibilities, with very good air clarity allowing distant hills to be clearly visible.

Meteorologist's View

It will feel slightly warmer than of late. There will be plenty of sunshine around throughout the day, so extra care will be needed in regard to sun protection.

Recent rainfall: measured at Neuadd: altitude 353m
